25th October 2013

Ref: S Fisher Testimonial

Dear Sir/Madam,

We have worked with Simon on several projects globally with clients on and offshore.

We have always found Simon to be highly professional and knowledgeable with broad experience over a number of disciplines in the gases industry.

We will certainly use Simon again and have no worries in recommending GasCon for training and consultation needs.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'R Lee', is written over a light blue horizontal line.

Robert Lee
Managing Director
